**2024 Catalog**

# Custom Skinned Catalog

A custom skinned catalog is just what it sounds. We take our current catalog and use your branding, your building photos, your story and add/switch out our information. You still get all the product information so you can share it with your customers and really make your business stand out.

For more information, please give us a call at 843-399-1820 and ask for Thomas

## Branded Products

One of the biggest questions we receive is,

**“How do I get my brand out there and recognized?”**

We have come up with a solution for that! We offer branded products a feature within Shed Windows and More. What if you don't have a logo or don't want to have your logo on your building? Now the beauty behind us is that we can custom make almost anything. If you come up with an idea, we can make it exclusive to you. If you have any questions or are interested in learning more, please call for more information. All our branded products are designed by us or in conjunction with you.

I \_\_\_\_\_ Certify that the information above is complete and accurate. I understand that the information I am providing is to be used to extend credit terms to me and my company. I authorize the companies I listed above to release my credit information to Shed Windows and More®. I understand that my extension of credit is based upon the information Shed Windows and More® receives from my reference listed above.

I understand that my credit terms, once approved by Shed Windows and More® will be 30 days, and service charges will apply to any payments made over the 30 days. Shed Windows and More® can also close my account for continued late payments and/or non-payments.

I also agree to waive all claims against Shed Windows and More® and the above references of all damages that occur in verifying my credit information.

I have also read through all of Shed Windows and More® policies and procedure and agree to abide by them.

## Who is Shed Windows and More?

Shed Windows and More, Inc. is not just a company. We are a family business! Since 2003, Shed Windows and More Inc.® has had everything you need to complete your project. What sets us apart from others is our high-quality products, great selection, and the best customer service. From the full-time builder to the weekend do it yourselfer or attempting your first project, Shed Windows and More, Inc.® will help to provide you with the products you need to complete that project.

Shed Windows and More, Inc. brings quality products from our family to yours.

## Welcome to the Family & Community

Over the last 20 plus years that Shed Windows and More, Inc. ® has been in business, we have built long lasting relationships with our customers. We would love to invite you to be part of our family and community here at Shed Windows and More, Inc.® by providing the best quality and service in the shed, playhouse, portable building, & specialty building industry.

# Why Shed Windows and More?

When you build any kind of building, there is a certain quality and standard aspect that you expect it to have before you put your name on it and give the customer access to it. Shed Windows and More, Inc. strives to meet and exceed your quality expectations for your building(s). Why put a product in your building of lesser quality? This is one of the attributes that Shed Windows and More, Inc. follows in everyday practices.

In sales there are four things we generally look at Price, Quality, Service, & Relationship.

**Price:** This is a category that a lot of people focus on and do not look at the whole picture. Shed Windows and More, Inc. is not the cheapest, but all products are priced competitively.

**Quality:** Shed Windows and More, Inc. doesn't want you to put a product into your building that does not meet or exceeds your building's quality, instead we would rather see you strive to meet and exceed those quality expectations.

**Service:** There are too many people within today's society that comment on poor service across all businesses. We are family run, and service has been our biggest strength for years. We always have staff available to answer phones and we try to help in any way we can.

**Relationship:** Yes, this not a standard attribute for sales, but it is for us. Having a great relationship has many benefits, which help us build our open and honest communication with our customers.

## Approved Credit Applicants - Terms and Conditions

Approved credit applicants will be set up for 30 days. All past due invoices will be charged a 2% interest fee. Accounts over 60 days will be placed into a hold status until the account is made current. Additionally, accounts that show a history of being placed into a hold status will be closed for credit and any existing balance that remains will be charged to the credit card on file. Checks that are submitted as a form of payment must have sufficient funds available. All NSF (Not Sufficient Funds) check(s) will be charged a penalty fee of \$35.00 per check.

## Ordering & Payment Methods

You can place your order several different ways:

1. Call our customer service at (843) 399 - 1820
  - Office Hours: Mon - Thurs: 8am - 4pm EST, Fri: 8am - 3pm EST, Sat - Sun: Closed
2. On our website at [www.shedwindowsandmore.com](http://www.shedwindowsandmore.com) or [shop.shedwindowsandmore.com](http://shop.shedwindowsandmore.com)
3. Email us at [sales@shedwindowsandmore.com](mailto:sales@shedwindowsandmore.com)

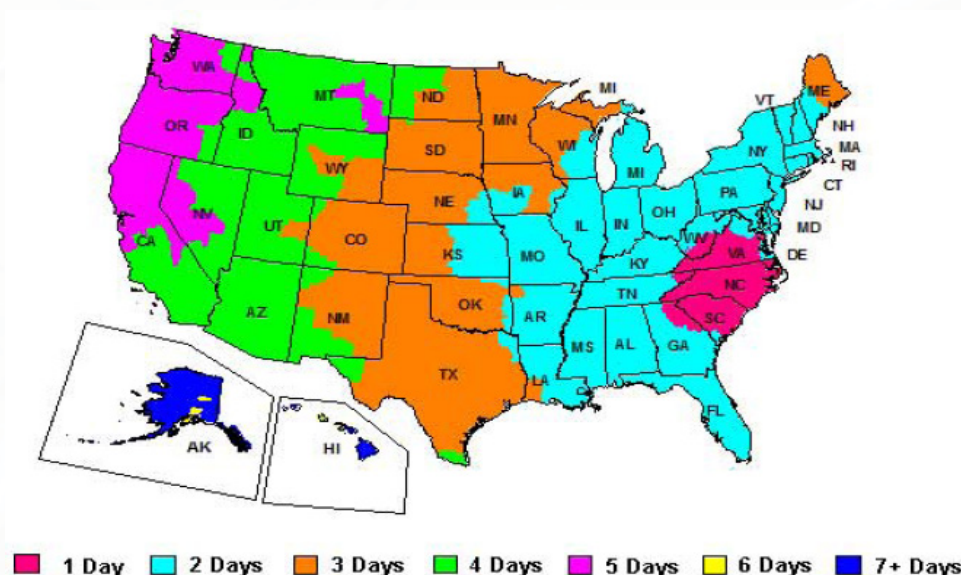

**Important – Do not email your credit card information. Please provide a daytime number that we can contact you by. Once the order has been prepared, we will reach out to you.**

4. Acceptable forms of payments - ACH, Checks, American Express, Discover, Mastercard, Visa, Debit

## Shipping

Our processing time is 1-2 business days depending on the time of day your order is placed. We ship via Priority Mail (small items), FedEx Ground/Home Delivery, FedEx Express, UPS Ground, or Freight Truck. Our warehouse will determine the least expensive way to ship you items to you. If you require a faster service, please call in your order so we can quote you prices on 2nd day air or next day air.

## Freight

To make sure you received all of your items and there is no damage, please inspect the package(s) while driver is still present. You will need to sign the BOL and document any missing/damage items on the BOL before handing back to the truck driver. You can contact us either by Phone, email or fax a copy of the signed BOL with the issue to Shed Windows and More, Inc. If the driver says it's not necessary to sign the BOL this will be inaccurate; when you sign a BOL without notating any damage you assume full responsibility for the shipment, and Shed Windows and More, Inc. cannot be held responsible for the damage product. Freight orders & shipments leave our warehouse in good condition and are packed well.

Shed Windows and More will file all claims with the freight company and credit you once we have received notice of claim payment(s) or resolve.

## Returns

Shed Windows and More, Inc. will accept returns within 30 days if the purchased item(s) have NOT been installed, are still new/unused and in the original condition that they were received. All parts (screws, bolts, etc.) must also be returned with the original item(s). There are no returns on special order or clearance items. If you're returning windows, please pack carefully, as any damage that happens during transit is the responsibility of the customer and no refund will be issued.

The customer is responsible for the return shipping unless:

- Item is broken (We must be notified within 10 days of delivery)
- The wrong item was shipped

**Refused Delivery:** All refused shipments will be refunded for the item only; minus returned shipping and 20% restock fee at this business's discretion.

Returns on item(s) that were shipped with free shipping will be refunded for the original price of the item; less than the amount it cost us to ship the item(s) to you. If Shed Windows and More, Inc. is at fault, a prepaid tag will be sent.

## Damaged FedEx, UPS & USPS Orders/Shipments

FedEx, UPS & USPS orders are inspected and carefully packed by our warehouse staff and leave our warehouse in good condition. If your order arrives damaged, you will need to email us photos using the following email address [claims@shedwindowsandmore.com](mailto:claims@shedwindowsandmore.com), all damage windows must be reported within 5 days of receiving the package(s). When sending an email please include your order number, name, address, and phone number. Once we receive your email, we will contact you and either offer a discount, replacement, or refund.

36"	76", 80", 96"	White/Clay/Black/Almond

Shed Doors & More!

## Standard Playhouse Doors

The Playhouse Doors are fiberglass doors which will not rot, rust, splinter, warp, dent, or delaminate unlike standard wood and steel doors. Our full-length styles are made from KDAT LVL 3 Poplar that provides a complete waterproof surface on the door's polyurethane core. Top & bottom rails are made from KDAT LVL 3 Poplar. These rails prevent moisture from seeping into the door and the bottom rail accommodates a range of door sweeps.

Build Your Playhouse Door (Example: 24x48, Barn Door, Single - Black, Jamb Saver, Without Glass, ADA, LHI)						
Slab Size	Design	Pre-Hung Options (Hinge Style)	Jamb Type	Glass Options	Threshold Type	Swing Options
24" x 48"	Barn Door	Single - Brush Nickel	Jamb Saver	With Glass	ADA (Low Profile)	Left Hand - In (LHI)
24" x 60"	Craftsman Door	Single - Black	Composite	Without Glass	Standard Residential	Left Hand - Out (LHO)
--	Dutch	Double - Brush Nickel	--	With Glass & Grids	--	Right Hand - In (RHI)
--	--	Double - Black	--	--	--	Right Hand - Out (RHO)

## Swing Options Visual Aid

## Playhouse Door Jamb Kit

The Jamb Kit is available in our 24", 48", 60" playhouse doors. The Jamb is designed so that you can hang it on the left or right and be able to have it swing in or out. The Kit comes with three composite pre-drilled trim pieces, weather stripping, fully composite thresholds, and black butt hinges. Additionally, the Jamb will not rot, warp, or sag.

## Sliding Glass Playhouse Doors

Build Your Sliding Glass Playhouse Door (Example: 60x60, Left to Right)		
Slab Size	Slide Option 1	Slide Option 2
60" x 60"	Left to Right	Right to Left

## Fiberglass/Steel Doors & Inserts

4 Lite	Low-E
6 Lite	Clear
9 Lite	Impact
11 Lite Arch Top	--
15 Lite Full Glass	--
1 Lite Half	--
1 Lite Full	--

## Jamb Savers / Moisture Block

The Jamb Savers / Moisture Block is available for our fiberglass/steel/PVC Doors. The Kit comes with three composite pre-drilled trim pieces, weather stripping, fully composite threshold & black butt hinges.

## Aluminum Framed Steel Doors

The Aluminum Framed Door comes with smooth steel skin. It's designed to screw right into the frame, like a flush mount window. Doors come knob ready, however the doorknob is not included. Any of our door inserts can be installed into the Aluminum Framed Steel Door.

**Note:** There will be several updates to this door as we develop this door throughout the year. Please call if you have any questions. Custom sizes are available.

- 6063-T6 Aluminum Extrusion
- 1.5" x 1.5" 14 Gauge Angle
- 1.125" Tall Astragal Weather Strip
- .100" Thick Astragal Weather Strip

### Axle Assembly

- 1 5/16" O.D. Steel Axle, 14 Gauge
- Oil Tempered, E-Coated Torsion Springs
- 9.5" Diameter Drums, 18 Gauge Galvanized Steel
- Live Axle Assembly

### Tension Bracket, Guide Rails & HW

- High Quality Steel Bearings for long-lasting, easy operation of door
- 18 Gauge Steel Guide Rails with plastic wear strip
- Steel Head Stop and Catch to secure door

**Note:** We currently only stock the roll-up doors that are on the left side. If you're looking for a specific size and/or color please call our office for more information.

## Roll-Up Door Thresholds

The diamond plated threshold is notched and folded to work with roll-up doors to prevent water from penetrating your buildings. The threshold is 8" in depth. Custom sizes can be made, please call for more information.

## Dominator Classic

SKU # - DOMCLASSIC

Dominator™ Classic offers great value for money. Its easy to use, quick to install wireless wall button, can be located anywhere in the garage without the need to fix wires. It also includes a standard courtesy light, and for convenience a service indicator reminds you when your door needs servicing.

## Swing Doors

SKU # - SWDOOR

Swing Doors arrive pre-assembled for quick and easy installation. Are available in matching or accenting colors to complement the existing roll-up doors. Swing Doors are compliant with Americans with Disabilities Act (ADA).

## Easy Roller 14

SKU # - DOMEASY14

The EasyRoller 14 incorporates bright LED courtesy lighting. The opener comes with Soft Start/Soft Stop operation, advanced door profiling and obstruction sensing for secure and safe operation. The Service indicator lets you know when it is time to service your door. EasyRoller 14 is suitable for use on Roll Up doors up to 14ft.

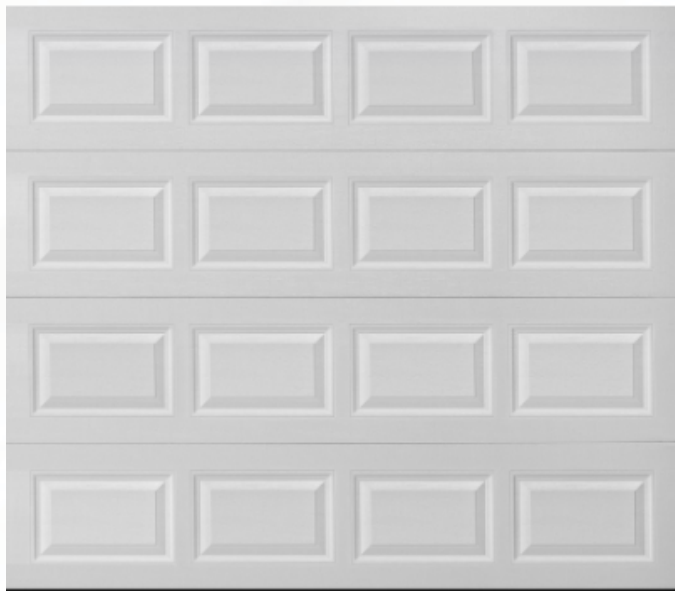

## Amarr Lincoln - Traditional Steel Garage Doors

The Amarr Lincoln are made from durable and low-maintenance steel and offers you a timeless garage door design at great value prices. The design features a long-lasting factory paint color, including Amarr Color Zone with 800 Sherwin-Williams colors to choose from. Please call our office for more information.

**Note:** Sku's have not been provided at this time, you will need to call our office to place an order for this item.

### Available Design - Short Panel

### Construction:

- Available in Single, Double, Triple-layer construction
- Optional 1-3/8" or 2" polystyrene insulation - Insulated door R-values range from 6.48 to 9.05
- Heavy-gauge, nominal steel is coated in a 5-layer paint system for long-lasting durability
- Available with WindPro wind load reinforcement specifically built to withstand specific high-wind pressures to meet local building codes
- Unless otherwise noted all doors, including Flush Panel, have a woodgrain embossed pattern

### Door Texture:

## Access Doors

The Access Doors are perfect for any new constructions or replacements. They're made from PVC and will not rot or warp. This door is great for small areas such as crawl spaces and attic voids.

Sizes      32" x 16"    32" x 24"    36" x 24"

Custom sizes are available, please call for more information.

## Pre-Hung Doors Program

Are you tired of extended long lead times on pre-hung doors? Well, we have just the solution for you. Shed Windows and More, Inc.® is now introducing our pre-hung door program. Since we process and hang doors ourselves and not through a third party, we have a lot of control and have faster turnaround times on doors.

The program will allow you to get approved specs and then have them prepared and ready for you for release, so that they can be shipped next day. Customers who are not on the program will see turnarounds ranging from 1 to 2 weeks, which is still a fraction unlike the rest of the industry. You can join the program by just calling us and supplying us the below information.

## Basic Information Needed

- Do you want a single door or double door?
- Fiberglass, Steel, or Wood?
- Select Door: Width x Height (Single Door)
- Select Door: Width x Height (Double Door)
- Do you want it pre-hung (hinge, jamb etc.)?
- If no, do you want the hinges prepped?
- If Yes, please answer the following:
  - Do you want a wood or composite Jamb?
  - Jamb Size (4-9/16" or 6-9/16")?
  - Hinge Finish (Black or Brushed Nickle)?
  - What is the hand and swing of the door?
  - Do you want the knob/dead bolt hole prepped?
  - ADA low profile, Aluminum or Composite TRH?
  - Do you want weather-stripping?
- Do you want a standard or Dutch door?

## Add-Ons

- Trim (Brick Mold, Florida BM, Flat Trim)
- Stain grade Jamb (Wood or PVC)
- Side Lite
- Window insert (9 lite, 11 lite, 15 lite etc.)
- Louvered insert
- Dutch door shelf
- Astragal (steel/aluminum/plastic/wood)
- Want your door painted?
- If yes, we will have your door professionally painted.

## Tiny Home & RV Appliances/Windows

## Furrion Arctic DC Refrigerator

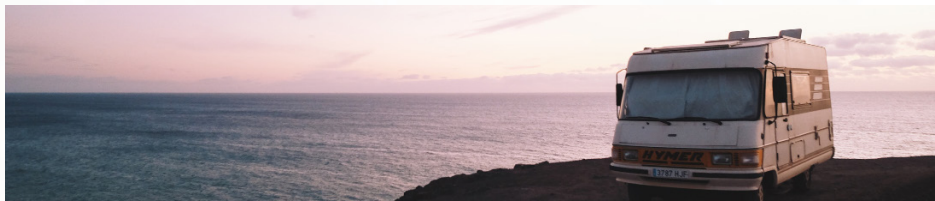

SKU #'s	Size	Dimensions	Product Color	Voltage
FUR-DC-REFRIG-SS	10 CU FT	24.25L x 60.12H x 25.75D	Stainless Steel	12-Volt DC
FUR-DC-REFRIG-BLK	10 CU FT	24.25L x 60.12H x 25.75D	Black	12-Volt DC

- High-efficiency DC compressor for mobile cooling
- 25% more storage space than other fridges with the same dimensions
- Quiet operation (<43dB) for peaceful environment
- Built-in construction made for RV kitchen
- Fridge-freezer combo with freezer temps as low as -4° F
- Adjustable shelves and half-gallon bottle holder
- Replaceable charcoal filter to remove odors
- Door and storage lock for travel
- Off-grid setting to conserve energy

## Furrion Built-In Four Door Refrigerator

SKU #'s	Size	Dimensions	Product Color	Voltage
FUR-4D-REFRIG-SS	14 CU FT	37.25L x 78.56H x 25.81D	Stainless Steel	110-Volt AC
FUR-4D-REFRIG-BLK	14 CU FT	37.25L x 78.56H x 25.81D	Black	110-Volt AC

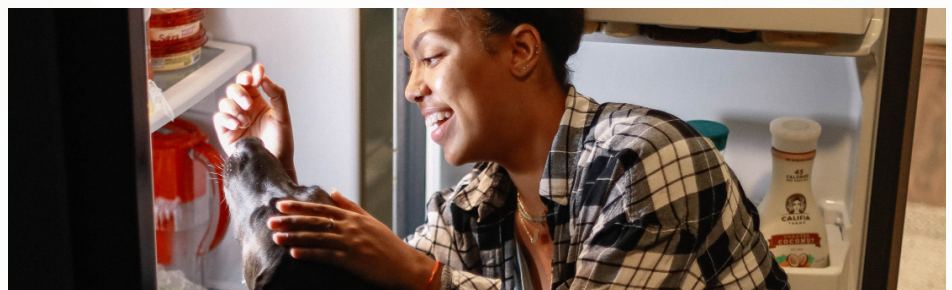

- Wine cellar
- Multi-airflow system
- Quiet operation
- Door latching system
- Vibrationsmart™
- Climatesmart™
- Energy Star® certified

## Furrion Arctic Side by Side Style Refrigerator

SKU #'s	Size	Dimensions	Product Color	Voltage
FUR-SBS-REFRIG-SS	16 CU FT	32L x 70H x 25D	Stainless Steel	12-Volt DC
FUR-SBS-REFRIG-BLK	16 CU FT	32L x 70H x 25D	Black	12-Volt DC

- High efficiency DC compressor
- Quiet operation: <42dB
- LED Display with electronic control
- Spill proof shelves
- Easy installation
- Replaceable charcoal filter
- Door open alarm

## Furrion RV 3-Burner Gas Oven Range

SKU #'s	Size	Dimensions	Product Color	BTU
FUR-3BGOR-SS	17in	21.5L x 26.6H x 16D	Stainless Steel	7100
FUR-3BGOR-BLK	17in	21.5L x 26.6H x 16D	Black	7100

- Large-capacity gas range with powerful 7,100 BTUs and three burners
- Electronic igniter and interior light make cooking easier
- 2-in-1 range with safety features to avoid fire hazards
- Improved heat distribution to cook food evenly and thoroughly
- Glass cover and enamel stamped removable grate for easy cleanup
- LED-backlit knob glows red when gas is flowing to increase safety
- Flush-mounted for seamless integration
- Vibrationsmart™ for stability during rough road conditions
- Climatesmart™ for protection during fluctuating temperatures

## Furrion 3-Burner Gas RV Cooktop with Glass Cover

SKU #'s	Size	Dimensions	Product Color	BTU
FUR-3BGCT-SS	21in	21.5L x 4.25H x 21.25D	Stainless Steel	21000
FUR-3BGCT-BLK	21in	21.5L x 4.25H x 21.25D	Black	21000

- Vibrationsmart™ and Climatesmart™ rated to withstand common travel conditions
- Great for RVs, food trucks and specialty vehicles
- Flush-mount design for a streamlined look
- Three burners for more cooking area
- Heavy-duty, cast-iron grills
- Glass cover acts as splashguard
- Electric push-button piezo ignition

## Furrion Pure Sine Wave RV Power Inverter

Efficiently inverts 12v DC power stored in batteries, to 110v AC power for consumer electronic needs in your off-grid or mobile living system.

SKU #: FUR-PSW-PI

## Furrion Convection Microwave Oven

SKU #'s	Size	Dimensions	Product Color	BTU
FUR-CMO-SS	1.5 CU FT	29.93L x 16.5H x 15D	Stainless Steel	120-Volt AC
FUR-CMO-BLK	1.5 CU FT	29.93L x 16.5H x 15D	Black	120-Volt AC

- Multi-Microwave Convenience Cooking Controls
- Automatic Or Manual Programming For Defrosting Times And Power Levels
- Speed Bake Convection And Microwave Cooking For Oven Quality

Convection and Non-Convection Microwaves are available!

## Furrion Built-In Electric RV Fireplace

SKU #'s	Size	Dimensions	Product Color
FUR-EFIRE-30	30in	31.77L x 7.95H	Black
FUR-EFIRE-40	40in	41.14L x 19.49H	Black

- Modern crystal flame design with four levels of LED flame technology
- Three flame colors: orange, blue and red
- Adjustable temperature settings from 65°F to 95°F
- Heats up to 500 sq. ft.
- Timer setting up to five hours
- Slide-out and overheating safety cut-off
- Remote control included (also compatible with Unimote™)
- Vibrationsmart™ technology to protect against road conditions
- Climatesmart™ technology to protect against temperature fluctuations

## Furrion Tankless Gas Water Heater with Antifreeze Protection-2.4GPM

- Vortex technology keeps temperatures steady to reduce cold spots and scalding
- Antifreeze protection keeps water heater from freezing in cold weather
- Included sleek wall thermostat provides easy operation to set desired water temperature
- Designed to retrofit existing water heaters of various sizes
- 60,000 BTU heat output to make your RV water supply feel like home
- Propane gas-powered technology with electric ignition is perfect for RV use
- Safety features like auto shut off and pressure relief valve to ensure safety
- Vibrationsmart™ technology to withstand shock and vibration while traveling

SKU #: FUR-GWH-ANTP

## Furrion Retrofit Door for Tankless RV Water Heating System

SKU #'s	Size	Dimensions	Product Color
FUR-RETRO-FIT-BLK	16in	16.14L x 16.14H	Black
